

Learning for life!

Take part in a FREE Family Learning course

Keeping Up With Numeracy

Do you want to help your child with maths?

Explore number games and everyday practical activities to help your child learn about maths while having fun with you.

Build up your own confidence in explaining and encouraging.

Find out how children develop number skills.

Find out about further learning opportunities.

Tuesdays 1.15 - 3.15
Starting 13th June
A 5 week course at
Milnthorpe School

Ask about childcare

Free refreshments too!
